Profile

A digitally-focused designer with 10+ years of experience crafting web, UX, and digital/print deliverables. I excel at translating creative direction into polished digital assets - most recently leading Asda's design studio to deliver accessible, brand-consistent campaigns for global clients including P&G, Nestlé and Coca-Cola.

Experience

Website Designer

Apr 2025 – Present

Infoserve (Agency)

- Led end-to-end responsive web design and build for SME clients, managing the lifecycle from discovery to execution.
- Developed brand identities and guidelines, ensuring cohesive application across all digital touchpoints.
- Designed Figma wireframes and prototypes ensuring optimal UX and WCAG compliance.
- Developed bespoke sites using HTML, CSS, and WordPress/Elementor, ensuring pixel-perfect design fidelity.

Lead Web Designer

Dec 2019 – Apr 2025

Asda

Led the design team for campaigns at Asda, producing bespoke digital experiences for some of the world's biggest FMCG brands across the Asda Groceries website.

- Designed and coded bespoke campaign pages for major FMCG brands (P&G, Nestlé, Coca-Cola) to strict brand and accessibility standards.
- Led UI/UX design from initial wireframes and interactive prototypes through to front-end build.
- Collaborated with commercial teams to concept and launch new media products, translating requirements into polished digital executions.
- Produced the full range of campaign assets: web pages, banners, GIF animations, and video.
- Managed the design studio end-to-end—templates, brand guidelines, and accessibility standards.

Digital & Web Designer

Feb 2018 – Dec 2019

Bonner & Hindley (Agency)

- Executed a diverse range of digital and print deliverables, including brand guidelines, marketing assets, and motion graphics.
- Designed responsive websites and email templates with cohesive branding and optimal UX.
- Produced multi-channel digital content across web, social, and email to support marketing campaigns.

Digital Design & Marketing Freelancer

Feb 2014 – Present

Remote / Self-employed

- Designed and built WordPress websites, optimising UX and performance for clients across sectors
- Created branded video content, graphics, and marketing materials
- Designed and managed automated email campaigns and paid social/search campaigns

Various Digital Design & Marketing Roles

2014 – 2018

Printsome, Zinio, IPS, A2S Works & others

A series of agency and contract roles delivering end-to-end digital solutions for international teams. Key focus areas included responsive web design, UX landing pages, and automated email flows, alongside video production and A/B testing for global campaigns.
