Profile

10+ years' experience designing and developing high-performing digital experiences for brands including ASDA, P&G, Nestlé and Mars. Skilled in UX/UI, front-end development, ecommerce design, CRO, WordPress and digital marketing. Takes projects from wireframes to a coded, accessible build, working closely with development and commercial teams.

Experience

Lead Digital Designer
Apr 2025 – Present
Infoserve (Agency)

- Leading end-to-end UX design for SME clients across retail, hospitality, and professional services — from discovery and user research through wireframes, prototyping, and usability testing to final build and launch
- Designing Figma wireframes and high-fidelity prototypes that balance user needs, brand identity, and WCAG accessibility standards
- Building responsive, user-tested websites in HTML, CSS, WordPress, and Elementor
- Extending brand identity across digital and print touchpoints — brand guidelines, marketing collateral, and client documentation to support ongoing content management

Lead Web Designer
Dec 2019 – Apr 2025
Asda

Led design for campaigns at ASDA, producing bespoke digital experiences for leading FMCG brands across the ASDA Groceries website.

- Created and coded campaign pages for brands including P&G, Mondelez (Cadbury), Unilever, Nestlé, LEGO, Mars, and Coca-Cola, built to strict brand and accessibility standards
- Led UI/UX from wireframes through to interactive prototypes and front-end development
- Managed studio delivery including templates, brand guidelines and accessibility standards, maintaining high-volume Criteo ad-serving implementation rates
- Collaborated with development and commercial teams to design and deliver funded media products, translating business requirements into polished ecommerce executions
- Produced full campaign asset sets including web pages, banners, GIF animations and video content

Digital & Web Designer
Feb 2018 – Dec 2019
Bonner & Hindley (Agency)

- Website design, coding (HTML, CSS, JS, PHP), maintenance, and SEO
- Design of digital and print assets, marketing materials, brand guidelines, videos, and animation
- Client account management, web support, and performance reporting across web, social, and email
- Email marketing, GDPR data management, and template build in Mailchimp and Campaign Monitor

Digital Design & Marketing Freelancer
Feb 2014 – Present
Remote / Self-employed

- Designed and built WordPress websites, optimising UX and performance for clients across sectors
- Created branded video content, graphics, and marketing materials
- Designed and managed automated email campaigns and paid social/search campaigns

Earlier Digital Design & Marketing Roles
